

Lifetime Labor Warranty

Always Ready Inc.; we are confident to the quality of our repairs and committed to the satisfaction of our customers. We certify repairs we have made to be free of defects in workmanship and warranted for life of the equipment. If a defect in workmanship is discovered, we will repair or replace the part with no additional labor cost to you. We are able to offer this exceptional warranty because we are confident in our ability to provide unmatched craftsmanship, workmanship, and because of the pride we put into every job we perform. This warranty excludes shipping & problems arising from pre-existing or conditions not related to the work we performed.

Complete Description of Repair: Onsite Fire Protection Inspections, including onsite maintenance, repair & supply @ facilities throughout Alberta.
